President Halimah Yacob Visits the NDP 2022 Show Student Performers to Show Appreciation

1. President Halimah Yacob visited the participants of the National Day Parade (NDP) 2022 Show segment at The Float @ Marina Bay this afternoon. President Halimah engaged with 43 Show student performers from the CHIJ Secondary, Fairfield Methodist School (Secondary) [FMSS], Tanjong Katong Secondary School (TKSS) and National Junior College (NJC).
2. President Halimah was greeted by a group of students from the TK Band who played a welcome fanfare and provided a sneak-peek of the performance they have been rehearsing for the Pre-Parade segment of NDP 2022. President Halimah also observed a short dance display performed by students from CHIJ Secondary, FMSS and NJC. The dance display was taken from the final chapter of the Show performance for NDP 2022, which involves 400 secondary students performing a sports-inspired dance routine to this year's theme song "Stronger Together". During her interactions with the students, President Halimah expressed her appreciation for their contributions to NDP 2022.
3. The combined schools performance highlights NDP 2022's theme of "Stronger Together: Majulah!" as the students show how we can overcome challenges with our resilience and unity as a nation. The event also highlights how MOE participants are returning to perform on stage for NDP as Singapore transitions to living with COVID-19.
4. The visit was hosted by Chairman of the NDP 2022 Executive Committee Brigadier-General Goh Pei Ming, and Colonel Mikail Kalimuddin, Chairman of the NDP 2022 Show Committee.
