

NDP 2022: Strength of Our Nation

The exciting Total Defence Display (TDD), featuring over 500 participants and 50 assets, showcases the SAF and Home Team's capabilities in defending the nation against potential threats. It will be held across two parts, before and after the Parade and Ceremony segment.

// PART 1 DEFENDING OUR COUNTRY

Audiences can expect to see a wide range of advanced military assets in action, from naval divers conducting a high-speed chase in the Marina Bay waters, to the RSAF's F-16C/D fighter aircraft performing thrilling aerobatics, to the Army's Hunter Armoured Fighting Vehicle — which is featured in TDD for the first time — firing its weapon.

// PART 2 SECURING SINGAPORE TOGETHER

The second half of the TDD showcases a coordinated multi-agency effort in responding to various contingency scenarios such as firefighting, first aid and counter-terrorism operations. These will involve the SAF's Special Operations Task Force, as well as the SCDF's Pumper Firefighting Machine and the SPF's Next-Generation Fast Response Cars, which will be featured in TDD for the first time.
